#### 15S - DESIGNATED SPECIAL REVENUE

## **Operational Summary**

#### **Description:**

To provide cash for intra/inter fund cashflow loans and to fund strategic priorities identified in the County's Strategic Financial Plan.

On May 12, 1998, the Board approved the strategy in the 1998 Strategic Financial Plan which programmed the use of cash in this fund to pay for one-time costs such as jail construction. When the cash in this fund is insufficient for cashflow loans, another source (e.g., short term market borrowing) will be developed. As with any long-term plan, the Board could re-program the funding toward different uses should priorities change or if funding is needed to address other financial issues.

Available in the FY 2004-2005 budget are appropriations for projects to remedy deferred maintenance and Americans with Disabilities Act deficiencies, and a new regional animal care facility.

On February 26, 2002, the Board of Supervisors authorized a transfer of \$25,259,480 from this fund to 15C, for the construction of Theo Lacy Jail Expansion Building "b". Reimbursement from the Public Safety share of the Tobacco Settlement revenue over the next 5 years are programmed into the budget. For further information, see Fund 15C in Program V.

A portion of the appropriations for projects to remedy deferred maintenance and Americans with Disabilities Act deficiencies are carried over from FY 2003-2004.

There is sufficient cash projected to be available in this fund during FY 2004-2005 to make necessary cashflow loans, however as a back up, the Auditor-Controller has identified additional sources for cashflow loans in FY 2004-2005.
